ITEM I: 9:00 A.M.

FILE: SDAB-D-16-120

AN APPEAL FROM THE DECISION OF THE DEVELOPMENT OFFICER

APPELLANT:

APPLICATION NO.: 154924225-001

ADDRESS OF APPELLANT: 9860 – 90 Avenue NW

APPLICATION TO: Construct a Single Detached House with attached Garage, veranda, fireplace, rear balcony (irregular shape, 4.25 metres by 2.22 metres) and Basement development (NOT to be used as an additional Dwelling)

DECISION OF THE DEVELOPMENT AUTHORITY: Refused

DECISION DATE: July 25, 2014

DATE OF APPEAL: July 28, 2014

MUNICIPAL DESCRIPTION OF SUBJECT PROPERTY: 70 - Sylvanecroft Lane NW

LEGAL DESCRIPTION: Plan 1222257 Unit 7

ZONE: RF3-Small Scale Infill Development Zone

OVERLAY: Mature Neighbourhood Overlay

STATUTORY PLAN: N/A

---

*Grounds for Appeal*

The Appellant provided the following reasons for appealing the decision of the Development Authority:

Rear Yard Deficiency: The lot is pie-shaped so that there is 53 percent of the lot behind the 40 percent required rear yard. The principle building covers only 35 percent even with the requested variance. This is a hardship preventing the use of the area not present in rectangular lots.

*General Matters*

**Appeal Information:**

On August 21, 2014, the Subdivision and Development Appeal Board (SDAB) heard an appeal of a decision of the Development Authority to refuse an application to construct a Single Detached House with attached Garage, veranda, fireplace, rear balcony (irregular shape, 4.25 metres by 2.22 metres) and Basement development (NOT to be used as an additional Dwelling), located at 70 Sylvanecroft Lane NW.

On September 5, 2014, the SDAB allowed the appeal and revoked the decision of the Development Authority. The development was GRANTED, subject to conditions and variances. This SDAB decision was appealed to the Alberta Court of Appeal.

On March 22, 2016, the Alberta Court of Appeal in *Thomas v. Edmonton (City)*, 2016 ABCA 57, allowed the appeal and quashed the Development Permit. The matter was remitted to the SDAB to be dealt with in accordance with that decision.

The Subdivision and Development Appeal Board at a hearing on May 11, 2016, made and passed the following motion:

“That the hearing for SDAB-D-16-120 be tabled to June 9, 2016.”

The Subdivision and Development Appeal Board at a hearing on June 9, 2016, made and passed the following motion:

“That the hearing for SDAB-D-16-120 be tabled to August 3, 2016, as mutually agreed to by all parties.”

**General Provisions from the *Edmonton Zoning Bylaw*:**

Section 140.1 states the **General Purpose** of the **RF3 Small Scale Infill Development Zone** is to provide for Single Detached Housing and Semi-detached Housing while allowing small-scale conversion and infill redevelopment to buildings containing up to four Dwellings, and including Secondary Suites under certain conditions.

Section 814.1 states the **General Purpose** of the **Mature Neighbourhood Overlay** is to ensure that new low density development in Edmonton’s mature residential neighbourhoods is sensitive in scale to existing development, maintains the traditional character and pedestrian-friendly design of the

streetscape, ensures privacy and sunlight penetration on adjacent properties and provides opportunity for discussion between applicants and neighbouring affected parties when a development proposes to vary the Overlay regulations.

Under Section 140.2(9), **Single Detached Housing** is a **Permitted Use** in the RF3 Small Scale Infill Development Zone.

Under Section 7.2(9), **Single Detached Housing** means development consisting of a building containing only one Dwelling, which is separate from any other Dwelling or building. Where a Secondary Suite is a Permitted or Discretionary Use Class in a Zone, a building which contains Single Detached Housing may also contain a Secondary Suite. This Use Class includes Mobile Homes which conform to Section 78 of this Bylaw.

### **Front Setback**

Section 814.3(1) states (in part) that the Front Setback shall be a minimum of 3.0 metres and shall be consistent within 1.5 metres of the Front Setback on Abutting Lots and with the general context of the blockface. Separation Space and Privacy Zone shall be reduced to accommodate the Front Setback requirement where a Principal Living Room Window faces directly onto a local public roadway, other than a Lane.

### **Development Officer's Determination**

Section 814.3(1) - The Front Setback shall be consistent within 1.5 metres of the Front Setback on Abutting Lots and with the general context of the blockface. However, the Front Setback shall not be less than 3.0 metres.

Required: Minimum 4.15 metres

Proposed: 3.27 metres

Deficient by: 0.88 metres

### **Rear Setback**

Section 814.3(5) states the minimum Rear Setback shall be 40 percent of Site depth.

### **Development Officer's Determination**

Section 814.3(5) - The minimum Rear Setback shall be 40 percent of Site depth.

Required: 12.77 metres

Proposed: 7.81 metres

Deficient by: 4.96 metres

*Projections into Setbacks*

Section 44.1(a) states verandas, porches, eaves, shade projections, unenclosed steps, chimneys, belt courses, sills, together with any other architectural features which are of a similar character, may project into a required Setback or Separation Space provided such projections do not exceed 0.6 metres in the case of Setbacks or Separation Spaces of 1.2 metres or greater. Where unenclosed steps extend into Side Setbacks which are not used for vehicular access, such steps shall not exceed a Height of 1.0 metres above Grade.

**Development Officer's Determination**

Section 44.1(a) - verandas, porches, eaves, shade projections, unenclosed steps, chimneys, belt courses, sills, together with any other architectural features which are of a similar character, provided such projections do not exceed 0.6 metres in the case of Setbacks or Separation Spaces of 1.2 metres or greater.

Maximum projection into Front Setback: 0.6 metres

Front unenclosed steps project: 3.94 metres

Exceeds by: 3.34 metres

*Community Consultation*

Section 814.3(24) states that when a Development Permit application is made and the Development Officer determines that the proposed development does not comply with the regulations contained in this Overlay:

- a) the applicant shall contact the affected parties, being each assessed owner of land wholly or partly located within a distance of 60.0 metres of the Site of the proposed development and the President of each affected Community League;
- b) the applicant shall outline, to the affected parties, any requested variances to the Overlay and solicit their comments on the application;
- c) the applicant shall document any opinions or concerns, expressed by the affected parties, and what modifications were made to address their concerns; and
- d) the applicant shall submit this documentation to the Development Officer no sooner than twenty-one calendar days after giving the information to all affected parties.

---

Notice to Applicant/Appellant

Provincial legislation requires that the Subdivision and Development Appeal Board issue its official decision in writing within fifteen days of the conclusion of the hearing. Bylaw No. 11136 requires that a verbal announcement of the Board's decision shall be made at the conclusion of the hearing of an appeal, but the verbal decision is not final nor binding on the Board until the decision has been given in writing in accordance with the *Municipal Government Act*.
